(b) *Cargo*. (1) On arrival, cargo and unaccompanied baggage not carried for hire aboard a private aircraft may be listed on a baggage declaration on Customs Form 6059-B, and shall be entered. A foreign landing certificate, when required, shall be produced within six months from the date of exportation and shall be signed by a revenue officer of the foreign country to which the merchandise is exported, unless it is shown that the country has no Customs administration, in which case the certificate may be signed by the consignee or by the vessel's agent at the place of landing.
